

Internet Safety Labs
Antitrust Policy

Approved by the Board of Directors: July 18, 2022

Me2B Alliance, Inc., doing business as Internet Safety Labs (“**ISL**”), its Board of Directors, and Panel participants (“**Participants**”) are committed to compliance with all applicable antitrust laws, or other laws regarding unreasonable restraint of trade, in all applicable jurisdictions around the world. ISL recognizes that these laws are intended to preserve and promote free, fair, and open competition. This competition benefits consumers and companies that are innovative and efficient.

Between or among Participants that are actual or potential competitors, there shall be no discussion, communication, agreement, or disclosure regarding their prices, discounts or terms or conditions of sale or licensing of products or services, pricing methods, profits, profit margins or cost data, production plans, market shares, sales territories or markets, allocation of territories or customers, or any limitation on the timing, cost or volume of their research, production or sales.

Participants, in connection with their participation in ISL Panels or other activities conducted or sponsored by ISL, shall not attempt to prevent any person from gaining access to any market or customer for goods and services, or attempt to prevent any person from obtaining a supply of goods or services or otherwise purchasing goods or services freely in the market.

During the course of the activities of or sponsored or facilitated by ISL, Participants should refrain from disclosing information to any other Participant that is not reasonably related to the legitimate purposes of such activities.

Me2BA and each Participant, in connection with the activities of ISL, shall use their best efforts to comply in all respects with all applicable antitrust laws, and are encouraged to seek the advice of their own legal counsel to do so.

Questions or concerns regarding the obligations of ISL and/or each Participant regarding compliance with applicable antitrust laws should be directed to legal counsel as soon as possible.
